Re: Site Plan & Special Use Permit - Terramor Outdoor Luxury Campground  
Project Site: NYS Route 212 (SBL: 27.2-8-32.110 and 27.2-8-28) Dear Chairman Post and Members of the Planning Board:

Our office has been retained by Kampgrounds of America, Inc. ("KOA") to assist with its proposed Terramor Outdoor Luxury Campground proposed on property located along NYS Route 212 (SBL: 27.2-8-32.110 and 27.2-8-28) in the Town of Saugerties, New York. We respectfully submit this letter to adjourn this matter from the upcoming Planning Board meeting agenda.

KOA has been working diligently with its team to respond to all comments from the Town's planning consultant as well as comments received thus far from the community. KOA is in the process of preparing additional environmental reports and studies that will assist the Planning Board with its review pursuant to the New York State Environmental Quality Review Act. In addition, our consultants have commenced conversations with the Town's Engineer and County and State agencies to receive preliminary comments on the Project.

Once completed, we will submit a comprehensive package addressing all comments and concerns and look forward to presenting the same at a future Planning Board meeting in preparation of a public hearing. Please do not hesitate to contact my office with any questions.

Very Truly Yours,  
Charles J. Gottlieb
